

22 JUNE 2021. On Tuesday the twenty-second day of June 2021, the Presbytery met by Zoom at 7 pm for Ordinary Business, and the Moderator, Rev. Malcolm Jefferson, constituted the last Presbytery meeting of the term in prayer and shared a reflection on joy. This included the screen-sharing of a dramatization of the miracle of the fish and the calling of Peter in Luke 5:1-11 from a series on YouTube, "**The Chosen**".

SEDERUNT AND APOLOGIES: There were present 13 ministers and 22 elders whose names were recorded by the Clerk in the attendance book. The names of corresponding members in attendance were also noted, as were apologies.

ELECTION OF MODERATOR: The Moderator called for the installation of the Moderator-Elect, Rev. Victoria Linford, who was duly elected as the next Moderator of Presbytery. The retiring Moderator was delighted to hand over the reins to Victoria and thanked her for keeping him right during his period of office. He added that he had enjoyed moderating the meetings online, which had proved to be quite informal and relaxed, and thanked the Business Committee and Presbytery for their support. After the Prayer of Consecration, Mrs Linford took the Chair and expressed thanks on behalf of Presbytery to Malcolm for his year as Moderator, highlighting his calm leadership and thoughtful style of opening worship. She also thanked Mr Peter Sandison, Assistant Clerk, for agreeing to take over clerking duties during Presbytery meetings for the period of her moderatorship.

MINUTES: The minutes of the meetings of 4 and 28 May 2021 (pp. 124-125) were submitted and approved as circulated.

WELCOME TO NEW MEMBER - REV. SCOTT GUY: The new Moderator warmly welcomed a new member, Rev. Scott Guy, recently retired from the Presbytery of Aberdeen and Shetland. He agreed to adhere to the vows of ordination and said he was looking forward to meeting members of Presbytery, some of whom he already knows.

ORDER OF BUSINESS: The Order of Business was approved as circulated, including one additional item, a Property and Stewardship Report.

GENERAL ASSEMBLY 2021: The Moderator thanked this year's commissioners for their attendance at the General Assembly, which she appreciated had been quite a challenge given its entirely online programme. Mrs Patsy Campbell kindly agreed to say a few words about her experience as a commissioner. She had enjoyed the Assembly, despite the odd technical hitch, and coped well with the online voting system. The Assembly had been quite thought-provoking and had a great sense of urgency, helped by a "fast track" process which meant that only those items selected for discussion by Commissioners were debated in full. She highlighted the contribution of Rev. Rosie Frew of this Presbytery, who, as Convener of the Faith Nurture Forum, showed tremendous stamina, forbearing and good will in seeing through a new Presbytery Mission Plan Act. The discussions on this stretched over three of the five afternoons, taking over seven hours. She added that our Presbytery is fortunate to have someone like Mrs Frew to lead and encourage local groundwork. The Moderator thanked Mrs Campbell for her thoughts on the General Assembly and invited those present to participate in a 15-minute period of discussion on the General Assembly in "Breakout Rooms" and added that she hoped Presbyters had taken the opportunity to look at the **General Assembly Supplement** published by *Life and Work* magazine. In the feedback from the Breakout Rooms Mrs Frew expressed her gratitude for the generally very positive response to the work of the Faith Nurture Forum, and Rev. Marion Dodd congratulated Mrs Frew on her tremendous contribution to the work of the General Assembly.

BUSINESS COMMITTEE: Prof. Murray Campbell, Convener, presented the report of the Business Committee, which Presbytery received.

Presbytery noted the re-appointment of Conveners to its Standing Committees for 2021/22 as follows: Prof. Murray Campbell - Business Committee; Mr David Brackenridge - Governance Committee; Dr Fiona Burnett - Mission and Service Committee; Mrs Isobel Hunter - Property and Stewardship Committee.

Presbytery noted the following dates for its meetings in 2021/22, with venues to be confirmed: 7 September 2021, 5 October 2021, 2 November 2021, 7 December 2021, 1 February 2022, 1 March 2022, 3 May 2022, 28 June 2022.

Presbytery noted that for 2021/22 the Business Committee will meet on the morning of the second Thursday before each Presbytery meeting.

Presbytery noted that a Steering Group has been formed to take forward the proposal for our Presbytery to join a larger Presbytery of South-East Scotland and that Rev. Margaret Steele had indicated she wished to step down from the Steering Group. Mrs Fan Heafield and Rev. Sheila Moir had kindly offered to join the Moderator and Prof. Campbell in the Steering Group. This was agreed, with the Moderator adding that this would allow at least one elder and one minister from the Steering Group to represent our Presbytery in any future meetings with the other Presbyteries.

Presbytery noted that an appeal was made against its decision on 3 September 2019 to accept the findings of the Special Committee appointed under the Protection Against Bullying Act 2007. Presbytery further noted that the appeal hearing has now been held and the Judicial Commission has unanimously decided to uphold the appeal and quash the previous decision in its entirety.

ACCOUNTS INSPECTION COMMITTEE: Mr Fraser Simm presented the report of the Accounts Inspection Committee. He invited Presbytery to reflect on the comments in the report on how congregations have risen to the challenges of the past year. He reported that advice was given to the treasurers of the two new unions in identifying which former congregations will be deemed as "ceasing" and which will be "continuing": this will affect how their accounts should be drawn up in the future, and it is hoped that the advice given, including how to deal with changing standing orders and direct debits, has been of help.

Rev. Marion Dodds said she was unhappy about the use of the terms “ceasing” and “continuing” congregations, but Mr Simm responding by stating that these were the official terms used for charity accounting purposes. Rev. Sheila Moir asked if feedback on accounts given to treasurers is reported back to Kirk Sessions. Mr Simm responded by saying he would encourage treasurers to pass on any concerns they have to their respective Session. Presbytery received the report and approved the deliverances.

REGISTRATION OF MINISTRIES: The Assistant Clerk reported that an updated Register of Ministries document had been circulated to Presbytery and asked for any changes to contact details not included in the updated document to be reported to him. It was also agreed to add Rev. Scott Guy to Category “O” in the Register, and Presbytery approved the Register with this addition.

STATISTICAL RETURN: The Assistant Clerk explained that the Statistical Return for Melrose and Peebles circulated to members of Presbytery had included the statistics for the previous two years, 2018 and 2019, for purposes of comparison, which he hoped would be useful in interpreting the 2020 statistics. He added that the statistics reflected what had been a very difficult year in the light of closures of buildings due the Covid-19 restrictions. However, he noted one upward trend in the statistics: an increase in the reported number of elders. He also mentioned that the 2020 Return had included questions on online and offline worship and agreed to provide these statistics to Presbytery*. Rev. Miller Milloy highlighted with sadness the fact that only 22 people in our Presbytery had joined the church by public profession of faith over the past three years: the primary task of the church should be commending the Gospel to the current generation. Presbytery agreed with this sentiment and noted the Statistical Return.

COMMITTEE ON RE-OPENING OF CHURCH BUILDINGS: Mr Keith Simpson, Convener, reported that most churches in Presbytery have been open since May, with approval given in the last month for the reopening of Ettrick, Yarrow, Broughton and Tweedsmuir. This leaves only a handful of churches in Presbytery that have not yet been given permission to reopen. Maxton and Lyne do not have plans to reopen anytime soon, but Eddleston is actively preparing an application. Rev. Sheila Moir pointed out that because of its size it not practical to reopen Maxton due to current social distancing guidelines. Rev. Fraser Edwards reported that Traquair is about to apply to reopen, and the Convener apologised for omitting to mention Traquair in his report. The Convener gave Presbytery a reminder that risk assessments are live working documents and should be updated and amended as guidance changes. The discussion concluded on a positive note with Rev. Marion Dodd remarking how nice it was to see worshippers spread across the whole sanctuary because of social distancing, and the Moderator expressing her pleasure that singing was now permitted. The Moderator thanked the Committee for its ongoing work.

STANDING COMMITTEE REPORTS

Mission and Service: Dr Fiona Burnett, Convener, reported that as an “Away Day” would be difficult due to ongoing restrictions, she had arranged for the delivery of two pre-recorded lectures on the topic of Islamic Christian relations to be delivered by Zoom, followed by a live question and answer session. These will take place over two evenings in the week beginning 30th August. Details of the event were included in the report circulated to members of Presbytery prior to the meeting. The document included deliverances arising out of her report, which were received by Presbytery.

Property and Stewardship: Mrs Isobel Hunter, Convener, asked Presbytery’s permission to delegate decision-making powers to a small group of Presbytery members to authorise work on dealing with the outbreak of dry rot in Stow Church. This would enable any urgent work to be approved over the summer break. She proposed that in addition to herself the group should include Mr Keith Simpson, Mr Peter Sandison, Prof. Murray Campbell and herself. This was approved by Presbytery.

INTIMATIONS: The digital version of the Presbytery Prayer Diary for June, July and August 2021 has now been circulated. Mr Sandison expressed his thanks to all the contributors. He added that the latest version of the Presbytery Yearbook had also been circulated and asked to be alerted about any additions, corrections, or updates.

APPRECIATION OF RETIRING MEMBERS: The Moderator, on behalf of Presbytery, thanked four retiring elders for their valuable contribution to the work of Presbytery over recent years: Mr Tom Fairbairn, Mr Sandy Milligan, Mrs Ann Smith and Mr Alistair Wilson. She also thanked Rev. Elspeth Harley for her contribution as Locum over the past year at Trinity and Caddonfoot following her retirement as Minister of those Churches.

ADJOURNMENT: There being no further business, the Presbytery adjourned to meet on Tuesday 7 September 2021 for worship at 7 pm, followed by Ordinary Business - with the venue still to be agreed - and the *sederunt* was closed with the saying of the Grace.

* All congregations were able to offer online worship, with 2,288 the estimated number of online worshippers

All but two congregations were able to offer alternative off-line worship, with 285 the estimated number of offline worshippers.
