NOTES:

I have prepared the rota:

- on the basis of the Adjustments in the new Presbytery Plan having been achieved;
- on the basis of an allocation of 4 ministers and 4 elders from charges; plus 2 former Moderators and 2 balancing elders;
- to allow each minister in a charge to attend the GA every 3 years, plus an OLM every three years and another minister every three years (this could give an opportunity for, say, a retired active minister to attend).

If we are joined with other Presbyteries within the next few years, the rota will no doubt change.
